## Index to Volume 12, 1949

All material is indexed by subject; special articles are indexed also by title and, if signed, by author. The tables in the appendix, Current Operating Statistics, are indexed separately. For data that appear monthly, no page references are given; instead, such data are indicated by an "m." If the material has not appeared throughout the full year, the specific months in which it appeared are included in the designation—e. g., m (My-D).
